

THE GRUNEBERG

LINKWORD

LANGUAGE COURSE

French

AMSTRAD CPC-64

THE GRUNEBERG
LINKWORD
LANGUAGE COURSE

The course teaches a basic grammar and an extensive vocabulary covering travelling, food, telling the time, numbers, calender clothes, car, family, leisure, restaurant, business, emergency words, etc. The course consists of a program tape, an audio tape which gives the correct pronunciation of the words, and a manual with glossary. Linkword is an ideal educational programme combining useful teaching, with hours of fun and enjoyment.

The Linkword course has been widely acclaimed as a very fast, easy and enjoyable way of learning a language.

'A quick way of learning – quicker than the printed page'
Your Computer.

'We found the course great fun'
Which Micro.

'I was quite frankly astonished at how effective this visual imagery was as an aid to memory retention'
Popular Computer Weekly.

'The vocabulary sticks in your mind effortlessly'
Computer Choice.

'Images are used as unforgettable memory joggers'
Sunday Times.

*** FOR ALL AGES * FOR HOLIDAYS**
*** FOR SCHOOL * FOR BUSINESS**
*** FOR PLEASURE**
